

Buzz+ Connect Instructions

Follow the procedure below to sign up for Buzz+ Premium Wifi:

Open Network Settings on your computer or device to view available Wifi networks, and select "Buzz+ then click "Connect."

The splash page will open. If you already have a voucher code, you may enter it in the "Voucher Code Access" box, then click "Login." To purchase Buzz+ Wifi, select the duration from the dropdown menu, and click "Buy Now."

3 You will be redirected to the PayPal site. If you already have a login for PayPal, enter it, and click "Log In." If you do not, click "Pay with Debit or Credit Card."

Welcome to Buzz+ Enter voucher code and click "Login"

Basic is available to all our residents and is suitable for email and basic internet browsing. Just contact your property manager to request the password.

Buzz+

Up to: 50Mbps down / 10Mbps up

Need a little bit more? You can easily upgrade to Buzz+ for \$19.95 a month or choose a plan that works for you. A maximum of five (5) devices per voucher code may connect to Buzz+, which is suitable for media streaming such as Netflix, Hulu, and YouTube.

You may purchase Buzz+ through PayPal by clicking the "Buy Now" button on the right.

Note: If you require more bandwidth for online gaming or heavy data transferring traffic, we recommend a dedicated internet connection with our local internet provider. Please contact your property manager for details.

By continuing, you agree to the terms and conditions.
